MakeMyTrip: Autonomous Web Operations Agent

Live Results Showcase — Real Data Extracted by the Agent

This document compiles the actual, unedited results produced by the autonomous agent across all 9 MakeMyTrip service modules — Flights, Trains, Buses, Cabs, Hotels, Villas & Homestays, Attractions, Holiday Packages, and Cruises. Every value below was extracted live from makemytrip.com by the LLM-driven agent (Google Gemini free tier + browser-use + Playwright) and saved as structured JSON — no data was hand-typed.

Pair this with live screenshots / screen recording of the Streamlit app for the full submission.
